It is time to get those quilts ready! In the next several months, you can register for our April Festival of Quilts Show. Please keep in mind that entry quilts should be finished since our last show in 2023 and not previously shown. Remember, the story that goes along with the quilt is important, so give a little information about your quilt on the registration form. Quilts should be clean and finished, including a label and sleeve. Remember to give credit to pattern designers, long-arm quilters and any others who contributed to the quilt.

Early registration is much appreciated, and help will be available to fill out the forms if needed. The forms will be emailed in the newsletter, printed copies available at meetings, and will be on the Maple Leaf Quilters website for download.

Anyone registering and entering a quilt(s) in the show permits Maple Leaf Quilters (MLQ) to display the entry and grants MLQ the right to photograph this entry(s) for MLQ files, publicity and/or promotion purposes, which may include print, website, Facebook posts, video etc.....
